

I am...
SENIOR STRONG

Are you...

SENIOR STRONG?

Seniors: It's time to tell our stories.

We've built businesses, tackled massive social problems, and some of us found time to raise families. It's about time Michiganders learn about the great work seniors are still doing in our great state, and have no intention of slowing down. The Southeast Michigan Senior Regional Collaborative is collecting the stories of our everyday heroes to be featured in their Senior Strong campaign.

.....

If you know someone who should be featured, or would like to join the **#IAmSeniorStrong** movement, please go to www.iamseniorstrong.com.

Let's get started and show Michigan what it means to be Senior Strong.

Sincerely,
SEMISRC
